

Make an impression with bound documents

## FastBack 20

### Fastback® - Simple, Fast and Beautiful

The ideal binding machine for all corporations, financial institutions, copy shops, print environments, or education establishments that require professional-looking presentations, yearbooks or bound documents at a fraction of the time required to bind with alternative traditional binding solutions. LCD display guides the user through each operation using animated illustrations. The Fastback® 20 works with all of the Powis binding materials and binds 10 to 350 sheets in 13-20 seconds.
